

Appn. Number 10/666,230 (Poliakine) GAU 2871 Amend. A contd.

REMARKS

In response to the restriction requirement contained in the 18 May 2004 Office Action, Applicants elect Claims 1-22 and 25-29, but also wish to traverse the restriction requirement by amending Claim 23.

Claim 23 has been amended to add the phrase "according to Claim 1" following "front lit display panel" in part a) of the amended claim. This clarifies that the computer program defined in Claim 23 is intended to be used only with the front lit display panel structure defined in Claim 1. The Claim 23 subject matter is thus not separably operable from the Claim 1 subject matter, and consistent with the 9/3/04 telephone discussion between Examiner and Applicants, this renders the restriction requirement unnecessary.
